Attorney General Robert A. Quinn, speaking on law enforcement, is shown as he addressed the 5-town prosecutor group at Harbor Beach Club on Thursday, March 1.

Left to right, Selectman Donald Linhares, Attorney Harry Smidt, Attorney General Robert Quinn and Selectman David Haley chat after Quinn's talk to the group hosted by the Mattapoisett Selectmen. Mr. Smidt is the 5-town prosecutor.

Robert Quinn is Speaker

Attorney General Robert H. Quinn was guest speaker at a meeting March 1st of Five Town Prosecutors at Harbor Beach in Mattapoisett. Selectmen of Carver, Rochester, Wareham, Marion and Mattapoisett, Police Chiefs and other officials were present at the dinner hosted by Mattapoisett Selectmen David N. Haley and Donald Linhares. Attorney General Quinn was introduced by Chairman David N. Haley who retires this week after 3 terms as Selectman. He spoke on the changing role of law enforcement in the light of liberal Supreme Court decisions and an erosion of confidence in the law enforcement agencies which resulted as the pendulum of justice swung

David Haley Honored

David N. Haley, center, was honored by fellow Selectmen John Field, left, and Donald Linhares, right, officials and fellow workers at the Town Hall following Tuesday night's Selectmen's meeting. John Field is pinning on the police commissioner's badge presented to Mr. Haley by the Police Department. A cigarette lighter was also given to the retiring Selectmen who was toasted in champagne by the gathering of friends. Mrs. Haley was presented with a centerpiece of flowers by the group who reminisced about the decade of Mr. Haley's tenure.

from the prosecutor and over to the side of the accused.

Mr. Quinn said that the series of decisions, starting with the 1966 Miranda Decision, represents a statement of faith in America because they guarantee the rights of the accused to a fair and impartial trial. Although these decisions make the job of law enforcement more difficult and much more expensive, they are an articulation of our fundamental rights. Now, he said, there is evidence that the pendulum is beginning to swing back to the side of law enforcement.

"Then, all within the year of 1972, came these decisions:

"1. The court made admissible confessions of criminal defendants even if the courts were not convinced 'beyond a reasonable doubt' that the confessions were voluntary.

"2. It decided that unanimous jury verdicts are not required for convictions in State criminal courts.

"3. It upheld the constitutionality of a provision of the organized crime act of 1970 which said witnesses can be compelled to testify before a grand jury, provided such testimony is not used against them.

"4. It ruled that police do not have to provide a lawyer when they put an arrested suspect in a line-up or a show-up for identification unless the suspect has already been indicted.

"5. It issued new rules of evidence for the federal court system including one which re-

He said that new tools are now becoming available to the police officer. The "Blue Book", a pocket size quick reference guide, is now being distributed. A portable drug testing kit for on the spot testing of suspected narcotics is another valuable tool. Federal and State assistance is being provided to the local law agencies for "Team Policing", advertising to restore appreciation and pride in police officers, Federal money has enabled the funding of assistant district attorneys to prosecute cases in District Courts. Attorney General Quinn mentioned that the gathering knew firsthand the value of the 5-town prosecutor who represents the towns in court, leaving the police chiefs free to administer their law enforcement offices. He pointed out that police officers are now on an incentive system that encourages them to take courses that make them increasingly more expert in police work. He said, "I don't think that law enforcement today is in quite the sad state that some people would have you believe."

During the question period, he said that

were the centerpieces of the party. The gathering climaxed a long dream of the Lt. Cmdr. who was feted at the Harbor Beach before going on tour in Vietnam and who thought of that occasion often during his long imprisonment. He and his fellow prisoners often would pass the time eating imaginary menus from their home restaurants. Numerous gifts and citations from the House of Representatives were presented to Purrington. Attorney General Robert A. Quinn, who was speaking to Selectmen of Mattapoisett, Marion, Carver, Rochester and Wareham, stopped in to congratulate the guest of honor accompanied by the Selectmen of these towns.

UNDERGROUND CABLE HEARING

Ten to 15 people attended a hearing held on the request of the Telephone Company to install underground cable in Mattapoisett. Most of the people were concerned that driveways to their property would be affected. G. Sheldon Davis, the representative of the Telephone Company, assured the hearing that the company will restore all paving to its original condition. Selectmen approved the request.

RESIGNATION ACCEPTED

The Rev. Paul L. Deyo has resigned from the Mattapoisett Council on Aging. Mattapoisett Selectmen have asked Father Raphael of St. Anthony's Church to appoint a replacement. Rev. Deyo has accepted a church post in Florida.

BRIDGE NAMES PROPOSED

Members of Florence Eastman Post #280, American Legion, have suggested to Mattapoisett Selectmen that the 195 overpasses be named to honor Florence Eastman, John Raphael and Joseph Furtado. Since there are only two overpasses, the Selectmen are inquiring from Rep. Charles A. MacKenzie if the North street overpass, which has a median strip in the center, can be considered as two bridges for naming purposes. The Selectmen propose that the section over eastbound I-195 be known as the Florence Eastman bridge and the section over westbound I-195 be named the Joseph Furtado bridge on the North Street overpass. They propose that the Acushnet Road overpass be named to honor John Raphael.

The Selectmen have requested the representative to determine if this is feasible.

BILL #308 OPPOSED

House Bill #308, which will be considered in the near future by the State legislature, proposes to create a county advisory board in every Massachusetts County except Suffolk and Nantucket. This advisory board would be drawn from the city manager, mayor or chairman of the Board of Selectmen of the city or town. The bill proposes that these representatives have voting representation based on the population of the city or town represented.

The Mattapoisett Board of Selectmen, while concurring on the advisability of such a county advisory board, do not concur on the voting representation based on population. They have written to Rep. Charles A. MacKenzie that they urge equal votes for all the cities and towns.

BULLDOZER CONTRACT AWARDED

Mattapoisett Selectmen awarded a contract for a crawler-loader 1973 model 977L equipped with a temporary blade which will be replaced with a Balderson bucket as specified in the contract. The contract was awarded to Witt Armstrong, the highest bidder. The amount of the bid was $51,520. and the delivery is set at 30 days from the February 28 date of the contract. This amount was $878. higher than the bid by Hans Bernt Tractor Company. The Sanitary Landfill Committee unanimously recommended that the Witt Armstrong bid be accepted because:

"a. We asked for a Balderson Blade and International (Hans Bernt) quoted on an Asbury Blade.

"b. We asked for a Glo-Plug cold starting mechanism and International (Hans Bernt) quoted on the use of ether.

"c. Our specifications called for 190 minimum horsepower at 1950 rpm and International (Hans Bernt) requires 2400 rpm's to reach 190 horsepower, which is excessive."

The committee stated, "we are of the opinion that awarding the contract to Witt Armstrong for a caterpillar tractor is in the best interest of the town."

The Finance Committee has recommended that Revenue Sharing Funds be used toward the purchase of this bulldozer. The 1972 Town Meeting appropriated $5,000. toward the purchase. The balance will be taken from the revenue sharing money.

NOTICE OF INTENT

William Mansfield of Noyes Avenue wishes to replace an aluminum section of pier with concrete and has filed a notice of intent with Selectmen. Further application must be made to the Conservation Commission and the Army Corps of Engineers.

POLICE VEHICLES OUT TO BID

Two police cars have been put out to bid. One 1973 four door station wagon and one 1973 four door sedan are sought. Bids will be opened at 8 P.M. on March 27, 1973. Specifications are available at the Selectmen's office at Mattapoisett Town Hall.

CHAIRMAN NAMED

George White has been elected chairman of the Elementary Building Committee.

GRAVEL PIT INQUIRY

Mattapoisett Selectmen have contacted the Henly-Lundgren Company to inquire about that company's intention toward the restoration of a gravel pit near I-195 off Acushnet Road. The permit issued for the pit requires grading, topsoil replacement and reseeding. This is guaranteed by a $6,000 bond which terminates April 1, 1973.

In a reply of February 27, 1973, Raymond Lundgren assured the Board of Selectmen that all terms of the permit will be met by the end of March.

VETERAN STATUS

In reply to a letter from Selectmen opposing the switch of Veterans' Services to fall under the Board of Public Welfare, Senator John Aylmer wrote that he is in agreement with the Selectmen's position. He said that the State cannot now meet commitments to the towns on reimbursement programs that have made a mess of welfare.

EEL POND INSPECTION

Mr. Heidebrecht, representing the U. S. Army Corps of Engineers, will inspect the mouth of the Eel Pond on Thursday, March 8th. The inspection, by request of Selectmen, will determine whether this project qualifies as a project for the Corps to undertake. The town appropriated money for dredging the mouth of the Eel Pond at town meeting but, because of the requirements of the engineers for this type of work that specify rip rap and jetty building, the work could not be done by the town for the money that was appropriated for dredging only.

MATT. APARTMENT COMPLEX OPPOSED

A plan to build 5 apartment houses containing 4 living units each on Tub Mill Brook land bordering Route 6 has been opposed by the Mattapoisett Conservation Commission. A letter dated February 28, 1973 to the Mattapoisett Board of Health from the Conservation Commission states that this land is "wet land" according to U. S. Geological Survey Map N4137.5 - W704/7.5 and Soil Survey Plymouth County Mass. of July 1962. The Commission cited these four points:

"1. The 1965 Town Master Plan proposes that the land on either side (25 to 50 ft.) of Tub Mill Brook remain in the public domain.

"2. The July 1969 Plymouth County Soil Survey indicates that the Hinckley (HaA) type soil in this area is 'very rapidly permeable substratum and may allow pollution of nearby shallow wells'. In our opinion there exists possible pollution of the brook and Eel Pond.

"3. The new Wetlands Protection Act (Oct. 1972) requires the Conservation Commission to deny any application for filling on the bank of a stream or altering such streambed, if in their opinion said filling or altering is going to result in pollution of stream.

"4. The Commission feels most strongly that the Board of Health has a distinct responsibility to the residents of Mattapoisett to strictly enforce the letter and intent of the State Sanitary Code in reviewing this proposed development."

INDIAN COVE INNER HARBOR

Mr. Kenneth Jackson, Jr., civil engineer in the Permits Branch of the U. S. Corps of Engineers, has written the Mattapoisett Board of Selectmen that the Corps can, in all probability, issue a permit for work on the inner harbor of Indian Cove since the Selectmen have no objection. He said that in the event that the Federal permit is issued on only that part of the proposed work, a new application will be required for the remainder of the work when the matter is resolved with the opponents of the dredging of the outer harbor.

WOMAN'S CLUB NEWS

Carriage Shed Restoration

CONTRIBUTIONS FOR CARRIAGE SHED

Every little bit helps and if you've thought about contributing to the fund to restore the carriage shed at the Mattapoisett Congregational Church but haven't gotten around to it yet, won't you consider doing it now?

Contributions - large and small - have boosted the fund close to the $200. mark and it's the dimes and dollars that will eventually push the total to $500. That's the preliminary estimate of the cost of materials needed to put the historic structure into good repair.

At last Sunday's restoration committee meeting, Chairman Win Jenney reported additional offers of labor, equipment and some materials are being received and also are greatly appreciated.

The 10-man committee - formed to restore the carriage shed after serious consideration was given by the church precinct committee to razing the structure - has agreed that any excess amount received over actual restoration costs will be kept in a

The carriage shed was built before 1850 and is one of the few structures of its type still in existence in the area.

If each of Mattapoisett's 5,000 residents would give but 10 cents, the $500 needed would be quickly reached and each one could have the feeling of sharing in saving one of the town's historical assets. Isn't it worth that little bit?

Bob Eberly at Tobey Ball

JIMMY DORSEY ORCHESTRA AT TOBEY BALL

The Tobey Hospital Ball committee is delighted to announce the selection of the band for the Port 'N' Starboard Ball which will be held May 19th at the Massachusetts Maritime Academy in Buzzards Bay.

The Jimmy Dorsey Orchestra under the direction of Lee Castle with Bob Eberly as vocalist will evoke memories for the many people planning to attend the gala event. The well-known band had its beginnings in the late 1930's and has played all over the country as well as overseas during World War II. The band, reinforced by younger men who play in the tradition of Jimmy Dorsey under the direction of Lee Castle, has stayed together and now entains thousands yearly.

Many hearts will beat a little faster at the thought of hearing Bob Eberly who thrilled us with songs such as Tangerine and Green Eyes and who has grown more handsome over the passing years. Bob Eberly drew huge audiences wherever he was featured and still has the golden voice which won him acclaim in the past.

People who wish to attend this exciting ball with its many attractive features may have an announcement sent to them by calling Reed's Answering Service, 295-6500 at any time, day or night.

JOHNSON PROMOTED TO MANAGER OF BANK OFFICE IN MATTAPOISETT

It has been announced today by Horace C. Weston, president of the Plymouth-Home National Bank, that Herbert D. Johnson, formerly Reserve Manager for the bank, has been promoted to Manager at Mattapoisett.

Upon completion of his military commitment, Johnson returned to the bank as a Head Teller in the Montello office. Shortly thereafter he entered the bank's management training program and became a Reserve Manager in 1972.

He is a graduate of Brockton High School, and received an A.S. in Business Administration from Bristol Community College. He has also attended the American Institute of Banking, and taken courses with Dunn & Bradstreet.

Mr. Johnson lives at 172 Ebony Street, Fairhaven.

gregational Church have selected this fabulous play for their annual dramatic presentation.

The plot of this brilliantly clever satire, which exposes British upper class dilletantism, circa 1895, revolves around two young gentlemen of the period, John Worthing and Algernon Moncrieff. Mahlon Peterson and Jeffrey Dunn portray these two famous gentlemen, and the feminine objects of their stylish affections are played by Harlene Fearing as Gwendelyn and Valerie Putman as Cecily.

Merrylynn Stephan enacts the celebrated role of Lady Bracknell, and Arthur Blackburn plays the exquisitely pompous Pastor, the Rev. Dr. Chasuble. Others in the cast are Mark Harris, John Hinman and Ben Dunn.

The Mattapoisett Congregational Church Parish Hall is the place; 8:00 P.M. is the time; March 8th and 10th are the dates; tickets will be available at the door.

PHYSICAL FITNESS CLASSES

A new series of Physical Fitness Classes for women will start at the YMCA the evening of March 13th. Classes will be each Tuesday and Thursday evening for eight weeks. Another series of Physical Fitness Classes for men will start Wednesday evening, April 4th. Interested Mattapoisett residents may call or visit the YMCA for further information.

Fitness classes for area adults have been going on all winter at the YMCA and the average weight loss, energy reservoir and general muscle tone has been remarkable. Area residents have been astounded to discover what regular exercise can do along with fun and fellowship at the YMCA. The YMCA has been a leader in the fitness field for over 100 years and many adults are just discovering the fact for themselves.

Considerable interest has been shown in the Yoga Class for men and women starting March 13th at 7:30 and the fencing group starting March 23rd. For these and other activities at the YMCA please contact the Y for information and registration.

STUDDS MOVES TO AID FISHERMEN

Rep. Gerry E. Studds, D-Mass., has cosponsored legislation in the House which would provide for immediate repayment to fishermen whose boats, nets and equipment are damaged by foreign fishing vessels.

"This bill, when passed, would establish a $5 million fund controlled by the Secretary of Commerce for immediate payment of damage claims against foreign fishing vessels. In the past our fishermen have had to bring suit through the U. S. State Department, resulting in lengthy delays before equipment could be replaced and fishing resumed," Studds said.

The 12th District Congressman, who represents numerous fishing communities on the South Shore, New Bedford, Cape Cod and the Islands, was joined by 20 co-sponsors, including other members of the Massachusetts Congressional Delegation in supporting the legislation.

"Swift passage of this bill would also aid our fishermen who in the past have been involved in accidents at sea with vessels from countries with which the United States has no diplomatic relations," Studds added.

Sippican Seniors

SIPPICAN SENIORS TO MEET

The Sippican Seniors of Marion will meet in the Sippican School cafeteria this Wednesday, March 7th, at 1:30 P.M. Cribbage boards are now in demand for the games parties. The next whist party will be held on Wednesday, March 21st, at 1:30 P.M. in the Congregational Community Center. The public is welcome. Come join the fun. Bring an article suitable for a prize if possible. A small admission fee will be charged.

Harold Frye is planning an unbelievably comprehensive trip for the Senior Citizens in late April. At present the 5-day Williamsburg Tour is expected to include a visit to the Luray Caverns, a view of the Skyline Drive, the Shenandoah Valley, the University of Virginia, Charlottesville, Monticello, Jamestown, Carter Grove Plantation, Williamsburg and Fredericksburg. This will be a new Almeida Tour and is not yet entirely finalized.

"Life of India" will be the subject of Mrs. Gayta Khanna, guest speaker for the New Bedford YWCA Travel Club Friday, March 16th, at 8 P.M. in the gymnasium. Prospective club members are cordially invited to attend.

Mrs. Khanna, wife of Dr. Sat Der Khanna, professor at Southeastern Massachusetts University, will illustrate her narrative with a variety of slides and will be dressed in native costume. She will be accompanied by her daughter and other young women who will model several native costumes, including a bride's outfit. Also, a few hand crafted articles representative of India's art will be exhibited.

Dr. and Mrs. Khanna, now residing in Westport, have been in this country seven years.

A business meeting is scheduled for 7:30 P.M. Social hour and refreshments will conclude the program.

CUB PACK MEETING HELD

Famous people from history was the theme when Mattapoisett Cub Pack 53 held its February meeting. Den 2, in full costume, presented an opening song. Dens 1 and 5, also in costume, gave performances based on famous people.

Mr. Robert Dennie, representative from Moby Dick Boy Scout Council, presented the official Cub Scout Charter for the current year to Mr. Robert Silveira, president of the Mattapoisett Police Association, which sponsors Pack 53. Mr. Silveira then presented the charter to Mr. Nathan Flood, chairman of Cub Pack 53.

Egg carrying races were held between the Dens. Kits for pinewood derby racers were given to each Cub. The derby races will be run on Sunday, April 8th.

The meeting concluded with a closing song by Den 8.

POMONA GUESTS IN MATTAPOISETT

Sippican Pomona #31 were the guests of Mattapoisett Grange last Saturday. The committee in charge of putting on the supper for them would like to take this way of thanking everyone who helped, especially the members who did all the cooking. There were people from several parts of the State extending many compliments to the cooks.

Washington Honored

LETTER TO THE EDITOR

On February 22nd I was proud to take part in honoring George Washington at the State House in Boston, sponsored by the State Regent of the Massachusetts DAR, Mrs. Mary Houser. The Fort Devens Band took part with some beautiful patriotic songs, including God Bless America. The Governor's proclamation for American History Month was read by the president of the Massachusetts Society, Children of the American Revolution - who later placed a wreath before the handsome marble statue of George Washington in the Hall accompanied by a handsome young man who is vice president of the Sons of the American Revolution. Hon. Robert Quinn, the Attorney General, spoke. All branches of the military services were present, as well as delegates of Boy Scouts, Girl Scouts

and the various veterans' groups of Massachusetts. Young boys from Hillside School, which is supported by the DAR, sang some inspiring songs as well.

Despite this splendid program honoring the true birthday of George Washington, there was not a word about it in any Boston papers or TV, and yet that same night the Boston stations showed 5 or 6 peaceniks out West somewhere trying to stop a train filled with munitions!

As for patriotic holidays in Massachusetts now (or countrywise as well) they have been changed around from their true date to accommodate the money-grabbing merchants as vell as those who seem to be willing to be added to the increasing death lists from three day holidays.

This could also apply to our religious holidays as well. Crass materialism on TV, radio and our newspapers, with ever-increasing efforts to take the real spiritual significance away - even in our public
